Hole-in-One Contest: $10,000 prize for HIO on hole #13. HIO prizes on all other par 3s also.

WE SERVE our community in many ways. The primary emphasis of LIONS clubs is sight and hearing conservation. We raise funds to support efforts in early detection and treatment of sight and hearing disorders.

Locally our club supports college scholarships for area high school students, eye examinations and glasses for those who cannot afford them. This includes free vision screenings at area schools and daycare centers (over 7000 free screenings last year).

We also support ACTS, and many other community needs which are brought to our attention.
